Marvel Knights

Main article: Marvel Knights § Film

Marvel Studios operated a short-lived production arm called Marvel Knights to produce some of Marvel's darker and lesser-known titles. The name originated from the *Marvel Knights* comic book imprint. The banner released only two films: the *Punisher* franchise reboot film *Punisher: War Zone* (2008) and *Ghost Rider: Spirit of Vengeance* (2011).[192]
